

**Introducing a Patented
“Next Generation”
Resin Technology...**

Uncover the secret to outstanding performance with ultra-low VOC.

DuPont™ Imron® Industrial Strength Polyurethane represents the next generation in resin technology. It's the fastest Imron® yet while providing outstanding durability and delivering the "wet look that lasts."

And with VOC at 0.3 lbs/gal, the environmental footprint is the lowest of any DuPont solvent-based coating.

For superior color consistency and performance based on "intermix" color technology, insist on DuPont™ Imron® Industrial Strength Coatings.
